## Arkansas State Lions Club Branch of the University Heights Lions Club

Back a few months ago, Pat Snodgrass, a longstanding member of the University Heights Lions Club in Jonesboro, aided 4 or 5 students with the idea of giving college students an opportunity to be a part of Lionism.

Snodgrass counseled Brooke Knight an ASU Junior, who reached out to friends and formed an Arkansas State Lions Club, a branch of the University Heights Lions Club. In January, they put up a booth and signed up members and went to work. Since then, they have raised several hundreds of dollars in a raffle for Leader Dogs for the Blind; a fundraiser for the Autism Association and a March Madness Bracket Competition. The group also made Valentines for residents of Ridgecrest Nursing home. "The purpose of the organization is to assist Lions in fundraisers and promote Lionism and eventually become a full status Lions Club," Knight stated.

## Lions State Convention

Save the date, April 28th and 29th Hempstead Hall in Hope, Arkansas. The Hope Lions Club has put together a really good program, please don't miss it . See You

There!

## Paragould Lions Receive Grant

The Paragould Lions Club has been awarded a \$595.97 grant from LOAF to purchase a Book Port DT to assist a member of its Sight

Conservation Committee with her work as facilitator of the Greene County LowVision Support Group and with her position as Secretary of the American Council of Blind Lions. The Book Port DT is a desktop-style Digital Talking Book player and recorder designed for individuals who are blind or have low vision. The design includes a large, clear-sounding speaker and easy-to-use controls. Book Port DT is ideal for reading Digital Talking Books. Users can also record or edit their own material in Digital Talking Book format. In addition, users can listen to internet radio or podcasts for education or entertainment.
